Vehicle Burglary results in use of Victim's Credit Cards around Prescott

Note – Release delayed to allow follow-up on leads.

On January 27, 2015, YCSO deputies were dispatched to a vehicle burglary in the 800 block of Arroyo Drive in the Mountain Club Division, Prescott. The 58-year-old victim told deputies unknown suspects entered her unlocked white Chevrolet truck and stole her wallet containing credit cards, cash, and identification cards including a Medicare ID displaying her social security number. The property was last seen on January 24, 2015, and discovered missing on January 27th.

The victim indicated that the suspects had already used her bank credit card at Wal-Mart and a local Mexican restaurant resulting in a loss of several hundred dollars. Deputies met with loss prevention officers from Wal-Mart and were able to view a video showing 2 male suspects with the victim's credit cards. Suspect descriptions: 1 – Male, 6', 180 pounds, dark skin, and long brown hair in a ponytail / 2- Male, 5' 7", 140 pounds, dark hair and light colored skin. Both suspects were wearing ball caps. This part of the investigation with loss prevention staff at Wal-Mart is ongoing. The suspects may be associated with a smaller black 4-door passenger vehicle.

On January 31, 2015, the investigating deputy was able to obtain video showing one of the suspects, possibly suspect no. 2, purchasing food at the Mexican restaurant in Prescott. Stills shots from the video have been reproduced and included with this media release in hopes someone may be able to identify the suspect.
